

Pirates, petals and Petula

Plus so much more at Epcot International Flower & Garden Festival!

As a Passholder, you've got a solid month of excitement to look forward to at this year's festival! Our new topiary pirate ship, with its own bouquet of Disney characters, greets you as you enter to enjoy all the displays, demonstrations, special themed weekends with even more excitement—and the Flower Power Concert Series*.

The best-selling British female vocalist in bloomin' history New to the America Gardens Stage is two-time Grammy® winner Petula Clark, whose ten gold records include "Downtown," "My Love" and "I Know A Place." With literally hundreds of top ten hits, TV shows, Broadway musicals and movies over 30 movies and 150 top ten hits worldwide, Petula is a star in all eleven World Showcase countries and more—but she's particularly pleased about her Disney stage debut.

Petula Clark

"I went to Disney World in Florida when my children were younger it truly was magical," said told us. "My son, who was still quite small, thought he was going to be pretty blasé about it, and of course, finished up totally immersed! In fact, between he and his sisters, we couldn't get them out. They were really hooked on it!"

Petula had this special message to our Passholders: "Do come, because I'm looking forward to being there and meeting you. We should have a pretty good time together!"
